

CALIFORNIA

Health Policy Forum

**California Choices for Medicare's Rx Program (Part D)
Briefing for Legislative and Agency Staff**

Room Change

Legislative Office Building 1020 N Street, Suite 100

By January 2006, all of California's 1.1 million jointly eligible Medi-Cal and Medicare beneficiaries will either self-select or be automatically enrolled in the new federal Medicare prescription drug benefit. This forum is designed to present choices for the state in managing this transition.
